

# PREMIUM ELECTRONIC DIGITAL DEADBOLT

- 2 Access options - Password or Key
- Sleek and smooth backlit touchpad for durability and style
- Leading code function for extra security - helps to prevent exposure of password with smudges on keypad
- Up to 30 user codes can be set at any time and can be 4 - 10 digits in length
- Add or remove individual users at any time with the admin code set by you
- One time user codes can be set up - Great for allowing access to service providers like tradesman that will only work once
- Optional auto lock function - Can be set from 10 - 99 second delay after the door has been unlocked
- Low Battery Alarm - Low battery warnings provided
- Easy DIY installation - retrofits in most existing lock cut outs
